Held on the Old Stockbridge Road near Longstock SO20 6DP

Follow signs for Danebury Hillfort.

What3words:///liquids.hindered.doors

## **Traders, Exhibitors and Camping Entry Form**

**Pre 1988 vehicles only unless approved by the Rally Chairman.**

# **The Longstock Rally -Conditions Of Entry**

## **ARRIVAL AND DEPARTURE FROM THE RALLY FIELD**

We have introduced restrictions on the times that exhibitors can enter and leave the Rally field. The times are as follows: entry time: before 9:30am departure time: after 5pm. The introduction of these times is to result in a better display for our paying visitors which is very important to ensure the ongoing success of the Rally as well as making traffic management easier for our hard-working marshals.

## **BARBEQUES**

Please note that no disposable barbeques will be allowed in the camping area if they are used on the ground. Only properly contained or gas barbeques will be allowed.

## **CAMPING SPACE**

Camping space is limited, and this will be issued on a first-come first-serve basis. Spaces are nominal of 10 yards x 7 yards and you will be expected to park all your caravans, tents, support vehicles and exhibits within this space. Some classes like Stationary Engines and Steam will have some camping in the display area, please notify us if you would like one of these spaces.

## **ENTRY FORM**

Please ensure that you fill in all sections of the form including the days you intend to exhibit. We would end up reserving space for exhibitors that have no intention of attending, while turning away other keen exhibitors. If you are intending to bring additional items like a trailer, exhibit caravan, implement etc. depending on your class then please add some information about this, plus its size so we can allocate the space in the display lines for it and have the information for the programme and commentary.

## **LATE ARRIVALS**

Late arrivals will be held in a holding bay until they can be escorted to their pitch safely.

## **LOADING/UNLOADING**

All exhibits that are brought to the field on trailers or lorries will have to be unloaded and reloaded in the dedicated loading/unloading area near the exhibitor's entrance. No trailers etc. will be allowed to be left in the display lines unless they are the exhibit.

## **SMOKE-FREE POLICY**

All those on the event site are reminded that the Rally is required to comply with the smoke-free legislation effective from 1<sup>st</sup> July 2007. Smoking is forbidden in all enclosed places. Your co-operation is appreciated.

## **DOGS**

All dogs must be kept on leads while on the rally field. All dog mess should be cleared up if caught fouling on the rally site without being cleared up the owner/owners will be asked to leave. This is as the Rally is held on a working dairy farm and dog mess can cause serious health problems to the cows.

## **SAFETY FIRST AT THE LONGSTOCK RALLY**

Everything will be done to ensure your safety. Please comply with the request of the safety officers, stewards and section marshals and avoid taking risks. Please take care of the children in your party. The Longstock Rally cannot be held responsible for any injury or loss however caused either to persons or property unless proven to be caused directly by the negligence of the Longstock Rally.

Entry Form

# The Longstock Rally 2025
